

Bertrand Collongy
Region Sales Director
South Europe, Israel, Russia & CIS Countries Workflow Solutions,
Honeywell Sensing & Productivity Solutions

Bertrand Collongy is currently Regional Sales Director South Europe & CIS Countries of the Honeywell Workflow Solutions (WFS) business across the entire WFS solutions portfolio. Bertrand leads the Sales activities in this region and is responsible for ensuring a sustainable growth of the entire portfolio of WFS across his territory. Bertrand is based at the Honeywell France office in Paris.

Prior to this role, Bertrand held the position of Region Sales Manager for France, Russia & Ukraine at Honeywell Vocollect in charge of selling Voice recognition added value solutions to a various set of customers. Bertrand is very much customer focused with an extensive international background.

Prior to joining Honeywell Bertrand previously spent several years working within IT for ISV and Computer companies including Hewlett Packard, Cegid and Siemens Nixdorf. He held a variety of roles with increasing responsibility in sales; including P&L, channel and global account management. In addition, he also managed his own group of companies IT Software integrator and ISV for 5 years.

Bertrand holds a Masters degree from a business school of management of Lyon and a Masters degree in Finance and Management from INSEAD.
